## Myanmar, the Golden Land

Myanmar, formerly known as Burma, a land of friendly people, a land of the million pagodas, to name a few, is rich in natural and cultural resources. For its long history and big size, it is an ideal place to experience the archeology as well as flora and fauna.

There are a lot of existing and newly-developed destinations in Myanmar. Not only natural and man-made places but also its friendly people itself are also uniquely attractive.

**“This is Burma and it will be quite unlike any land you know about”**
